

# THANK YOU!

The Friends of the Pikes Peak Library District would like to thank the many people involved in the planning of this incredible event. In addition to our sponsors and our speakers, this could not have happened without the Latina Voices Planning Committee, Friends Board Members and the amazing leadership and staff of the Pikes Peak Library District.

A huge shout out to local businesses that graciously donated items to the event:

It is the care you have for our community that makes it a better place. Thank you for all you do!

## SEPTEMBER 30, 2023

### 12TH ANNUAL

# Latina Voices

PRESENTED BY THE FRIENDS OF THE PIKES PEAK LIBRARY DISTRICT  
[WWW.FRIENDSOFPPLD.ORG](http://WWW.FRIENDSOFPPLD.ORG)

*Mia Ramirez*

A Colorado Springs native, Ramirez is a program manager at The Colorado Trust, a grant-making foundation, where she works with Coloradans across the state to encourage and strengthen resident and community-led funding initiatives. She has supervised programs to prevent chronic disease at Kaiser Permanente Colorado and at the Centers for Disease Control and Prevention.

*Ginelle Curincita*

A Latina entrepreneur and native Spanish speaker, she has combined experiences working in higher education, diversity and inclusion, and small business development to create her company, OroMar Consulting. Ginelle uses her knowledge and experience to cater to the needs of underserved, small business owners to help them turn their passion into profit.

*Keeley Griego*

Keeley earned a degree in Women's and Ethnic Studies and a certificate in Gender and Sexuality Studies from the University of Colorado. Griego is currently serving on the Women's Foundation of Colorado's first Women and Girls of Color Fund Advisory Council. Keeley works as the Digital and Community Educator for Inside Out Youth Services.

*Ballet Folklórico de Barajas*

Ballet de Folklórico de Barajas will perform traditional dances from different parts of Mexico. The group is directed by Leonor Gonzales and features dancers ages 5 to adult.
