

TOP THREE WAYS TO HELP

1. BECOME A MEMBER!

Memberships help Friends to support the community's valuable resource - the library!

2. DONATE!

Books! Money! Time! Donations support various library programs as well as library staff.

3. VOLUNTEER!

An hour a week? Two hours? Maybe monthly or just occasionally during the year. Whatever time you have to give, the Friends will take it!

And the best part is it's fun! There is a job to fit a variety of personalities, skill sets and abilities.

Close your eyes.

Think about all the **memories** you have of visiting the library.

Maybe it was picking out those **special books** as a child.

Maybe it was being part of a **fun program** or **learning something new**.

Maybe it was using the **computers or meeting spaces**.

Maybe it was just finding that quiet corner to **lose yourself in a book**.

Now imagine a world where that doesn't exist.

Open your eyes.

Become a Friend to the library - the world needs these memories.

"Friendship is born at that moment when one person says to another, 'What! You too? I thought I was the only one.'"

- C.S. Lewis
